- The above application form is valid only if all data about the author/performer, an event organizer, and prospective programme of performed work are given correctly.
- An author / performer guarantees with his own signature of retributive and material responsibility to play/perform only his own music copyrighted work.
- Correctly and fully fulfilled above form is at the same time the permission to individual management of music copyrights.
- If Society SAZAS indisputably finds out the discrepancy between actually performed and prospective programme and therefore copyrights cannot be managed individually by an author/performer it will be for granted that an author/performer **did not get the permission by SAZAS to manage music copyrights individually**. For the event in matter the Society SAZAS will charge in accordance with its "Rules on communication to the public of musical works". If Society SAZAS will be forced to use legal measures it will have to charge for royalties, increased up to 200 % in accordance with Copyright and Related Rights Act. **An organizer is informed hereby and accepts copyrighting policy.**
